

Evening of Hope & Remembrance

Join SAVE for an Evening of Hope & Remembrance
at New Hope Community Church on
Friday, November 2, 2007 from 7-8pm

With the reality that 1 in 3 women will experience some form of abuse in their intimate relationships, SAVE invites you to gather together to honor those whose lives have been impacted by domestic violence. With your support, we will renew our commitment to actively working in our communities to end the cycle of violence and promoting equality in relationships. There will be music, stories, artwork, refreshments, and a call to action.
