

Safe Alternatives to Violent Environments

Empowering partners to be safe from abuse

SAVE extends a huge thank-you to all of our donors. Their generosity is greatly appreciated by our Board of Directors, staff, and especially our clients. Without their support, we could not provide our comprehensive services and programs to the women, children, and men who suffer from the effects of domestic violence.

Donors on record July 1, 2007 - June 30, 2008

Is your name correct? As hard as we try to get names listed and spelled correctly, mistakes do happen. We sincerely apologize if we have made an error with your name, and ask you to report it by contacting SAVE at 510-574-2256 or development@save-dv.org. Doing so will allow us to correct it for the future. Thank you.
